## **Information about the payment of the retake exam fee (IV)**

Let me hereby inform you that according to the paragraph 52, article 14 of the Regulations of Fees and Grants of the University of Pécs (TJSZ), students will not be able to register for the exam from the same curriculum unit for the third or subsequent time without paying the exam fee. Students need to record and transcribe the payment obligation in the Neptun Education System before registering for the exam and then they need to pay the fee through the Neptun system by credit card (VPOS), by bank transfer, at the cash-desks of the University or through the joint account.

Dear Student,

Let me hereby inform you that according to the paragraph 52, article 14 of the Regulations of Fees and Grants of the University of Pécs (TJSZ), students will not be able to register for the exam from the same curriculum unit for the third or subsequent time without paying the exam fee. Students need to record and transcribe the payment obligation in the Neptun Education System before registering for the exam and then they need to pay the fee through the Neptun system by credit card (VPOS), by bank transfer, at the cash-desks of the University or through the joint account.

Referring to the notification sent in the previous semester, I would like to call your attention to the fact that the above mentioned procedure is active now. Thus you need to apply the above mentioned steps to register for another exam.

When selecting a payment method, please, take into consideration that you can only register for the appropriate exam if you transcribe and pay the referring financial item, therefore only when the status of the item becomes „fulfilled”.

Payment may be fulfilled in the following ways:

☐ VPOS: payment by credit card started from the web interface of Neptun;

☐ bank transfer through the joint account:

in the message field please, indicate abbreviation NK- followed by your Neptun code (NK-Neptun code);

the joint bank account number of the University of Pécs: 10024003-00282716-01120008

☐ cash-desk: cash-desks at the Faculties of the University (with Neptun code).
