How to add your mobile number?

1. Log in to the system: https://neptun-web2.tr.pte.hu/hallgato/login.aspx

2. Click on **My data**, then select **Contact information**, after that click on the **Phone numbers** button. Now, you can click on the **New phone number** button.

	My data Instruction	n Exan	ns, grade submission Information Administration De	gree thesis			
	Personal information	Contact information					
Contact information			Actions: Add to favourites				
	settings		Email addresses Addresses URL addresses Pho	ne numbers Contact perso			
	<u></u>		Phone numbers				
X	Messages	9 ×	Actions: New phone number Delete				
7	Inbox (11)Sent messages		Phone number	Туре			

3. You should select the Mobile as a type and write in your number. Don't forget to click on the **save button**!

Contact information	Phone number type:	Mala	
Email addresses Addresses	Phone number:	MODI	
hone numbers 3			_

Make sure that your number is in the **right format** e.g.: +36-70-9990000

(+ before the country code, then "-" for the dialling code then "-" another one for the number itself) After saving make sure it's the **default** one!

Phone number	Туре	Default
+3630	Mobile	✓

Please note that your mobile number can be used for password changing only **from the next day!**

4. Don't forget to log out:
